Showing the power of the Holy Spirit working through the printed page

TRINIDAD/TOBAGO

It is a privilege to say thank you for keeping me on the Herald of His Coming mailing list. Every package I receive I share with my pastors and friends at church. The messages are so timely, encouraging, inspiring and faith building. They have helped me to draw closer and deeper in my relationship with my Lord and Savior Jesus Christ. Let us not be slack, but keep our minds and hearts focused on God's promise of Jesus' imminent return. And dear friends at the Herald, keep the fire burning.... Looking forward to my next package.

Also, I am including the address of one of our elders who would love to also receive the paper.

May God Almighty continue to bless Herald of His Coming. We have been receiving one hundred copies of the Herald for the spiritual growth of Christians over here. If it is possible, please increase the number of copies being sent for the demand for it is rapidly increasing. God is doing a mighty work here in the lives of those Christians where we are distributing the Herald, and in our own lives and ministries as well.

For many years we have received Herald of His Coming and every issue has been passed on – not always to believers as some have been placed in public places, like waiting rooms or in a telephone kiosk. It was through picking up a booklet over 50 years ago that I became a Christian so I know the impact that good Christian literature can have. Thank you so much for continuing to send the Herald. It is very much appreciated.

Another writes: My mother received Herald of His Coming for many years. Having found one some years back, I registered and have been blessed by the Herald ever since. Each issue has provided strength and growth to help me mature as a Christian. The May/June 2026 issue has been particularly helpful in the current days. We need revival in the UK. Only the Lord can turn it around. I took some old copies of the Herald to my new church to distribute and would like to begin receiving a dozen extra issues bimonthly to leave on the table in church for people to take. God bless you in your work.

SINGAPORE

Herald of His Coming is so wonderfully meaningful and life changing. Especially meaningful for me now has been the article "Praying Men and Women Can Turn the Tide" (May/June 2026). I have been praying many hours each day for years, but good news nationally and internationally has been slow in coming. This article has been a big encouragement.

UGANDA

I am very happy to send my appreciation for what the Lord is accomplishing through Herald of His Coming. I have been receiving this material for very many years. From the copies that I receive, I distribute to co-workers of the Gospel in more than 40 churches. When there is some time without communicating with these servants of God, they call me asking what has happened! They tell me that the Herald is truly anointed and is a very great blessing to their churches and ministries to sharpen believers (Prov. 27:17). And I am a living testimony! The Herald has helped transform my inner man from glory to glory.

KENYA

I have been enjoying Herald of His Coming for 32 years. An Indian family in Saudi Arabia gave me a copy. Then I wrote to the Herald office and I began receiving a regular copy in the mail. I am thankful for your persistence and faithfulness in this good work. I am leading a mission team in our local church in Kenya. I have added their names to receive the Herald. They are very happy and pray for you all the time.

Another writes: I want to take this opportunity to thank you so much for the periodical Herald of His Coming. It is the source of my spiritual nourishment in my walk of faith in Christ Jesus. My prayer is that God will continue to bless Herald of His Coming for the glory and honor of His Holy Name.

And another: Thank you for sending me Herald of His Coming. Reading the articles has enriched my life and walk with Christ. Pray for me as I am going through a difficult and rough part right now. May God continue to strengthen the Herald ministry in Jesus Christ our Lord.

I have never stopped to let you know how I wait to get my copy of Herald of His Coming and to read all of it. It adds to my day. My son in California gets it as well and loves it. When I get through reading it, I give it to my neighbor. So keep them coming!

My husband and I enjoy receiving our copy of Herald of His Coming. We watch our mailbox when the time rolls around for it to show up. We have been so blessed with the writings, preaching and encouragement we find. I have never thrown away a single one. I just cannot get rid of them! Thank you so much for all you do. I am sending a couple of new addresses of people who would like to be on the mailing list.

OKLAHOMA

I am so very blessed and encouraged by Herald of His Coming. Thank you to those who have taken the time to write down and share what the Lord has laid on their hearts and for finding messages and articles from former saints. These things have encouraged my heart through some dark and doubtful times, times when I needed to hear of those who have lived lives impacted by God and walked with Him as He intends us to. May God help us to keep our eyes on Him.

MAINE

Herald of His Coming, this anointed paper “stayed” on the Word of God, is such good food for the church in hopes of revival. I am seeing a difference and a growth in the lives of the dear Christians with whom I have shared the paper. God is expanding His Kingdom and we are encouraged! Many thanks. The grace of the Lord be with you.

Another writes: Herald of His Coming is in my prayers daily. Everything is surely being shaken and wickedness spreading over all the world. But the Word of God does not return void, but is doing a mighty work in hearts. I am glad to be a part of this work of God. Praise to the Father, the Son and the Holy Ghost.
